[MS14: Definition of platform profiling tools and metrics and VENTURI platform V1]

Due date of milestone: [30-09-2012]
Actual achievement date: [30-09-2012]

Description:

Platform profiling tool, techniques and metrics have been extensively documented in deliverable D6.1 "Report on the performance of platform profiling tools and techniques" May 28th 2012. Venturi platform V1 use cases have been implemented in deliverable D6.3 "Use case(s) implemented on VENTURI integrated platform V1" submitted on Oct 1st 2012.
